Fortune 500 companies use Semrush
as their go-to marketing tool

Data is good. Strategy is better. Semrush gives you both.

Semrush knows a lot about your market and website. It gives you access to the world's largest database of 20 billion keywords, 310 million ads and 17 billion URLs crawled per day.

But you get more than just numbers. Semrush analyzes the data for you and gives you instant recommendations on SEO, content marketing and advertising that can help you improve your online visibility in days.

Oleg Shchegolev
CEO and Founder

Our CEO will eat his hat

... if you find another tool that lets you do all these things
